Health at Every Size - Wikipedia

Health at Every Size (HAES) is a lifestyle that encourages healthy eating and enjoyable physical activity as a way to feel better and live longer. Unlike other programs, it does not believe weight loss through dieting is the way to become healthy. Scientific evidence supports this idea. In a 2006 study by researchers at the U.S. Department of Agriculture, 78 obese women were placed into either ...

Health at Every Size | National Geographic Society

The Health At Every Size® (HAES®) approach is a continuously evolving alternative to the weight-centered approach to treating clients and patients of all sizes. It is also a movement working to promote size-acceptance, to end weight discrimination, and to lesson the cultural obsession with weight loss and thinness.
