Lotus Elan Restoration Guide

the title, "a restoration guide," may be a bit misleading, as it's not really strictly speaking a restoration guide in a how-to sense. the author makes clear of this in the beginning of the book. it's really more an account of the author's ownership of 2 lotus elans and restoration of an elan sprint. it's a nice and easy read and gives very brief overview of elan's history. there's also some technical information and drawing at the end of the book. the author also includes some of the ...

And while the Elan would be deemed totally unfixable by any reasonable, economical measure, we decided we wanted to save it. There are just not enough of these amazing early Elans to let this one go. The negotiated price of \$2500 for the pair of cars was the icing on the cake, and somehow made the whole deal seem to make sense.
