'My Secret Life' is perhaps the most  
infamous of all underground Victorian  
erotica. It is the sexual memoir of a well-  
to-do gentleman who began at an early  
age to keep a diary of his erotic  
behavior. He continues this record for  
over 40 years, creating in the process a  
unique social & psychological document.  
Authorship of the book is mysterious.
