Context Clues Lesson Plan | Study.com

You can understand any new vocabulary term using only the context around it. By looking at the elements of a passage, an unknown vocabulary word reveals its meaning. For this reason, you'll never have to memorize every word—you only have to remember how to use context clues. Take the word "acerbity", for example.

Understanding Vocabulary Words in Context

The context is the other words and sentences that are around the new word. When you figure out the meaning of a word from context, you are making a guess about what the word means. To do this, you use the hints and clues of the other words and sentences. You won't always be right, but many times you will be.
