The Business Model Canvas Playbook: Design And Advance ...

WHAT IS A CANVAS? Alexander Osterwalder's business model canvas presents a visual overview of the nine components of any business on one page. This page has nine boxes that depict the details of a company's product, customers, channels, demand creation, revenue models, partners, resources, activities and cost structure.

HOW SHOULD I USE THIS PLAYBOOK?

The Business Model Canvas Playbook: Design And Advance ...

The Business Model Canvas is a template to validate a new or existing business model. It's a template that hits on the key areas of market validation. Leveraging a business model canvas will mitigate the risks associated with entering a new market.
