### The Kidney Sellers A Journey

The Kidney Sellers: A Journey of Discovery in Iran addresses the question: How it is possible that in Iran there is a waiting list to be a donor, while in the United States hundreds of thousands of people have died for lack of a kidney?

### The Kidney Sellers: A Journey of Discovery in Iran ...

When author Sigrid Fry-Revere requested an honest review for The Kidney Sellers: A Journey of Discovery in Iran, I was intrigued, no vampires, no damsels in distress, no fiction or fantasy, period. Instead, I found a true, extremely enlightening recounting of a brave, intelligent and determined mother, wife, ...

A book review of The Kidney Sellers: A Journey of Discovery in Iran by Sigrid Fry-Revere. "Fry-Revere makes stark comparisons between the kidney donation program in the U.S. and Iran. Dialysis is portrayed as a very poor alternative to kidney transplants . . . Most U.S. patients die without receiving a transplant, while in Iran 16 months is the average waiting time to receive a transplant."

### Compte-rendu de The Kidney Sellers: A Journey of Discovery ...

I'm happy to say that The Kidney Sellers: A Journey of Discovery in Iran met all of my requirements to receive a 5 star rating. I learned so much about so much by reading this book. Prior to reading this book I knew little about Iran, little about the kidney donation shortage in the US & absolutely nothing at all about selling kidneys in Iran.

### THE KIDNEY SELLERS by Sigrid Fry-Revere | Kirkus Reviews

The Kidney Sellers: A Journey of Discovery in Iran is a book that describes the implementation of a regulated kidney market as a means to solve the organ shortage. The author, Sigrid Fry-Revere, travelled to Iran to study the effects of the regulated market in that country. The book is clearly in favour of a market.
